

Deliciae
MADE FRESH, MADE FOR YOU

OUR STORY

A beloved patisserie from Mumbai, we were born out of Bunty Mahajan's unwavering passion for baking. Our expertise lies in freshly made, gourmet cakes with a special focus on fresh, seasonal fruit collections.

With a legacy spanning over two decades, our cakes have become a cherished tradition in Mumbai households, symbolising celebrations & moments of joy.

We are excited to extend our journey from Bandra to Indiranagar, bringing our cakes to Bengaluru this year. We invite you to taste the freshness of Berries in a Deliciae cake, right here in Bengaluru!

BUNTY MAHAJAN'S JOURNEY

My journey began in my home kitchen in 1988. From a young age, I was always captivated by the art of desserts. Baking at home, I dreamed of owning my own patisserie, one that was realised in 2004 with the creation of Deliciae.

For me, Deliciae embodies top-tier confectionery. As a perfectionist, I prioritize generous fillings, the lavish use of fresh ingredients, and I constantly train my team to uphold these values.

I strive to ensure my passion for baking is evident in every creation.
